## ***From Pain to Purpose: A Bridge Over Troubled Waters***

From Pain to Purpose is a journey of how strong the power of God is, even in our darkest moments.

When we have not acquired the knowledge of what our purpose is and the why of the offenses, it becomes a mask of hiding destruction and chaos that occurs in our hearts, minds and spirits resulting in insecurities. However, it gives the insatiable desire and will to fight through tears and disappointments. It describes the quietness and isolation that occurs while separated from all others and from the world that bridges the purpose to trusting God with the secret pains of our beings. It may take a lifetime to comprehend how high, how deep and how wide the power of God is that reigns in our lives.

Nevertheless, He keeps us from falling and gives us hope to continue by trusting, leaning and growing in Him so that the purpose actually exceeds the pain. This book will reveal to you how the Holy Spirit will transform you from hurt and hopelessness to walking victoriously with God.

**"Transformation" Romans 12:2 "Bearing fruit" Colossians 1:10 "Draw near" Ephesians 2:13**

From Pain To Purpose A Bridge Over Troubled Waters is an excellent read. As you read the book it's easy to insert yourself in the authors shoes as you explore the roller-coaster ride of emotions, trails and tribulations that were endured. The book also allows you to explore. It also pokes at your heart strings, of the unknown or unsaid that forces your mind to race and ponder. I would recommend this book to all. Anyone who reads this book can relate to a path of adversity to opportunity. July 16, 2019

**Call on His name and he will hear your prayers.**

Sonja, God has bless your life that's why you give him praise. I cry reading this book from the beginning to the end. I can't believe what you went through. I'm so proud of you God took you on a journey of trails and brokenness and you came out like pure gold. Keep walking with the Father and He will always bless your life. I'm so glad you told your story it will bless someone's life. Wishing you the best. June 27, 2019
